alternative

Business for good

BUSINESSES

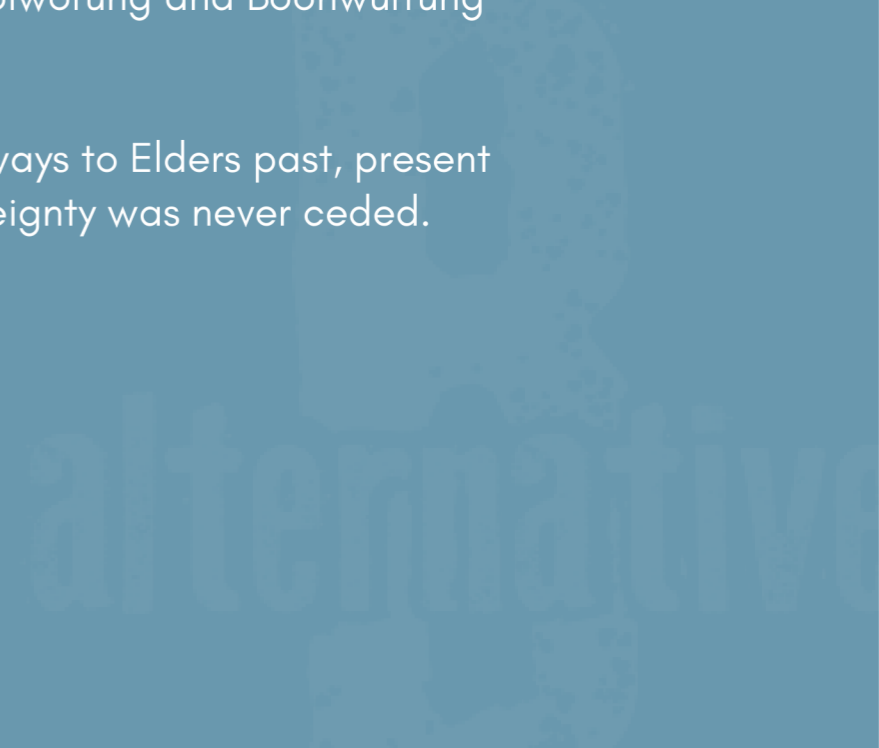

BE THE CHANGE. BE ALTERNATIVE.

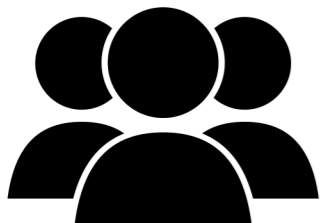

ACKNOWLEDGEMENT OF COUNTRY

B-Alternative wishes to acknowledge the traditional custodians of the lands on which our team members work and live, predominantly lands belonging to the Wadawurrung, Woiworung and Boonwurrung people of the Kulin nation.

We wish to pay our respects now and always to Elders past, present and future, and acknowledge that sovereignty was never ceded.

WHO WE ARE

B-Alternative is an environmental social enterprise providing sustainable solutions to shake things up for a planet-positive future!

We aim to cultivate awareness of environmental issues and to provide low-impact alternatives to businesses, organisations, schools, and events.

Our dedicated and expert team, based in Australia with global reach, exists to make a real, tangible impact - to be the change we want to see.

**GO ALTERNATIVE TO
REGENERATE THE PLANET**

WHY CHOOSE TO GO ALTERNATIVE?

LIGHTER FOOTPRINT

Reduce your business' overall greenhouse gas emissions, landfill contribution, energy usage & more

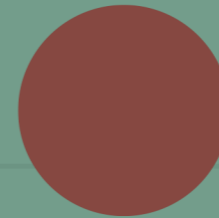

WHAT PEOPLE WANT

84% of Australians want action on climate change (Australia Talks National Survey, 2020)
Take action & promote it

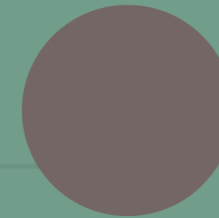

INDUSTRY LEADERSHIP

Set the bar high for other businesses & help create a new norm for a transforming industry

SMARTER SPENDING

By reducing the overall amount of waste produced, overheads are typically lowered. Less landfill = less \$\$

SPREAD THE IMPACT

Encourage a cultural shift towards Earth care & positive behaviour change within the broader population

SERVICES BREAKDOWN

CONSULTATION

- Tailored, professional advice on waste reduction & sustainable management
- In-person, phone or online
- Expert team of dedicated environmental educators
- Ongoing support

RESOURCE RECOVERY

- Composting of food waste & compostable packaging
- True recycling of various waste streams dependant on locality
- Competitive rates
- Auditing & environmental reports included in services

PACKAGING & SUPPLIES

- 100% compostable packaging
- Earth-friendly supplies, including recycled reusables
- Competitive rates
- Research-based & transparent
- Branded & bulk orders available
- Specials offers & discounts

STREAMED RESOURCE RECOVERY

- Separate recycling streams for glass, aluminium, organics, paper/cardboard, HDPE plastics, polystyrene & soft plastics
- Clear, direct signage is always provided alongside functional systems to efficiently connect office/kitchen/indoor streams to outdoor resource recovery stations

WASTE AUDITS

If you're wanting to gain some insight into where your business or building is generating the most waste, a waste audit would be beneficial. A waste audit helps you identify problem areas, and after our full report, we make suggestions about what strategies to implement. This can include:

- circular economy solutions
- truly compostable food packaging alternatives
- staff education and training
- waste stream separation
- connections to external partnerships
- environmentally friendly cleaning product swaps

OTHER ETHICAL PRODUCTS

- Earth-friendly sanitiser and disposable Ecowipes
- 100% recycled 3-ply toilet paper from Who Gives A Crap
- Reusable food tiffins, lunchboxes, cups and more
- Indoor bins and compost caddys
- Chemical-free cleaning services

Can't find what you need? Ask us and we'll find it for you!

LASER & HOLISTIC DENTAL, SOUTH YARRA

Laser & Holistic Dental have been working with B-Alternative to implement sound resource recovery practices, with the goal of diverting as much of their waste from landfill as possible. We supply them with compostable:

- bamboo alcohol wipes
- branded paper cups
- paper towel
- plastic coverings (glucose cellulose)

All are composted in an organics stream after use. Additionally, the clinic has also converted outdoor dead space into three square metres of garden

Holistic Dental

EPOCH INSTITUTE

Co-Working Space Construction Project

EPOCH Institute strives to inspire and educate individuals and groups to live consciously, enabling communities and nature to thrive.

B-Alternative worked with EPOCH and GYPCO carpentry group to drastically reduce the amount of timber, cement, paint, and plaster by upcycling and recycling these materials, avoiding landfill. Anything that did go to waste was offset with tree planting to ensure carbon neutrality.

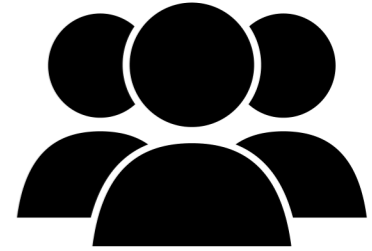

“

THIS IS NOT JUST A BUSINESS,
BUT A GROUP OF PEOPLE
PASSIONATE ABOUT
WHAT THEY DO

- Angie Poole, BCN & CFOB
